

A Word to live by...

That man invited Yeshua in.

When you let Yeshua into your heart...
healing flows to your insides
and your outsides! Yeshua
didn't just heal that man's body,
He healed his broken heart, too!

You see, healing people was one
of the jobs that God promised
the Messiah would come here to do.

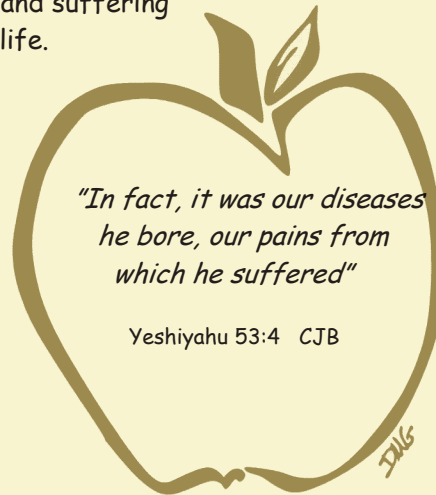

CHECK OUT THE 🍏

God promised that when the Messiah came, supernatural healing would
come, too. People with impossible pain and suffering
would be healed and given a whole new life.

If you were to look around your
synagogue today, you would be amazed
to hear the stories of healing.

Believing in Yeshua restores your life
and makes you whole!

Be ready with a Word...

So, next time someone says:

"I'm sick. I don't feel good."

Be ready:

**"Yeshua heals people every day.
Can we pray that He helps heal you, too?"**

Parshat Tazria - "Conceived" Yeshua Restores!

A Word from the Torah...

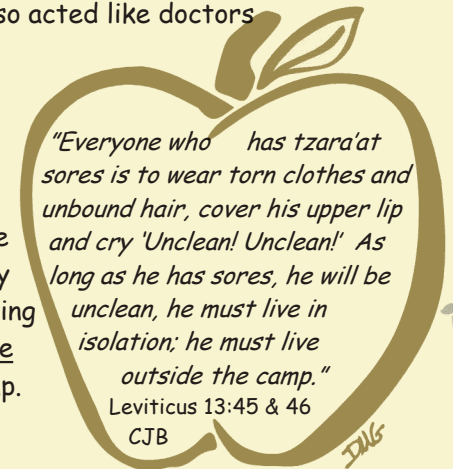

This week's parsha seems a bit unusual. It gives God's priests
specific instructions about how to inspect skin diseases to help
people stay healthy and not pass the illness on to another person.
It almost sounds like the priests also acted like doctors
back then.

We have a lot more medicines
available now that make it possible
to fight infection. Back then,
though, medicines were more scarce
and infected people just had to stay
away until they got better. By staying
away from others, they kept disease
from spreading throughout the camp.

CHECK OUT THE 🍏

Can you imagine that? This poor guy
is sick. Instead of being able to snuggle
up in his bed and be given chicken soup
by his mom and get visits from his
concerned friends...

He has to leave his home and live
outside in the wilderness ALONE
until he's better! Plus, if he DOES
see any people, he has to warn
them to stay away from him!

Hmmm, now think about this...

Wouldn't he feel lonely and sad? Aren't you thankful to God that you have people in your life that help you when you're sick instead of kicking you out?!

And, what about his home... his job... his dog?
How long would he have to wait to get his life back?

A Word from Yeshua...

In Yeshua's day, these sick people would have to stay away from their loved ones a long time, sometimes forever.

When Messiah Yeshua was walking the earth, he performed many miracles. He multiplied food, he walked on water, he silenced a storm, and he raised the dead! Miracles followed Him everywhere.

Sick people started looking for Him. They knew that He could heal them. For some of them, Yeshua was their ONLY hope. They were desperate!

In the book of Mattiyahu, chapter 8, there is a story about a man with leprosy. Leprosy is a serious skin disease that is contagious and, even today, has no medical cure. This is serious. This man lost his whole life and family when he got sick. He went to Yeshua, knelt before him and ASKED Him to heal him.

CHECK OUT THE 🍏

This man's whole life changed in an instant! Yeshua had the power to heal this man and give him his life back. The sickness that ruined his life was OVER.

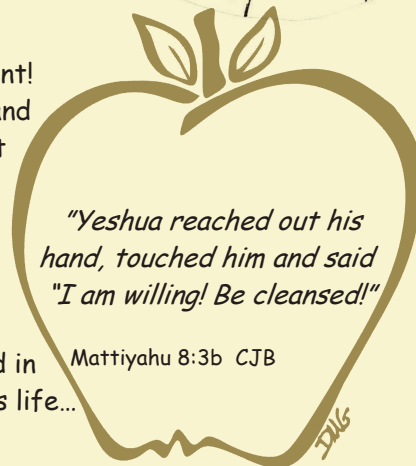

He could return to his home. He could return to his family. He could return to his job. He could return to his future!

When this man met Yeshua, and believed in the power that Yeshua had to change his life...
EVERYTHING CHANGED!

"Yeshua reached out his hand, touched him and said 'I am willing! Be cleansed!'"

Mattiyahu 8:3b CJB
