

A Word to live by...

Sometimes it is difficult to follow Yeshua, because we want to do our own thing. Maybe we don't feel like going to worship services or maybe we don't feel like forgiving someone who hurt us.

Remember... following Yeshua means doing things HIS WAY.
Letting Him lead us means trusting His plan is better than our plan.

So, pay attention to this amazing promise...

The reward for following Yeshua is not JUST for eternity only...

He promises to take care of us every day...
To give us what we need and be our friend...
To walk with us, within us, until we meet Him in Heaven.

His presence goes with us,
just like that cloud in the desert that traveled with the children of Israel.
Hallelujah!

Be ready with a Word...

So, next time someone says:

"Aren't you nervous about going there?"

Be ready:

"Everywhere I go, Yeshua is with me."

Parshat B'ha'alotcha- "When you set up" Yeshua is Guiding Me Always

A Word from the Torah...

This week's parsha includes the one year anniversary of the exodus from Egypt. Adonai tells Moshe that the children of Israel need to celebrate the Passover again to remember what God did to free them from slavery.

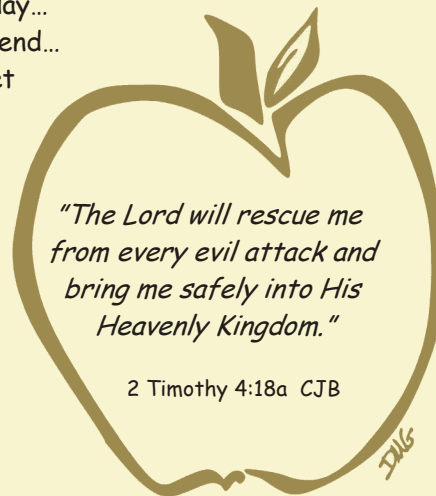

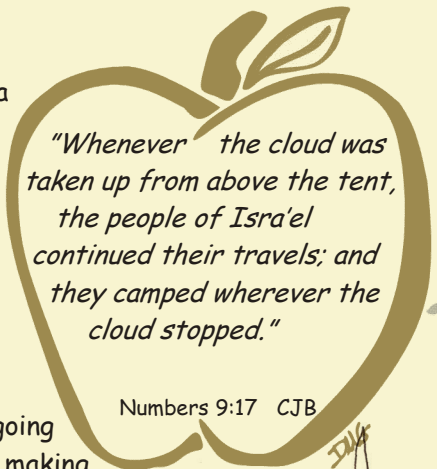

God led them through the desert in a very special way. They followed a cloud over the Tent of Meeting...

They learned to go whenever God signaled them to. It sounds a little bit like musical chairs, doesn't it?

Can you imagine that? You are just going about your day, playing with friends, making meals, studying the Torah, giving the baby a bath... when all of a sudden... HURRY!

It's time to leave, the cloud is moving!
Pick up your toys!
Pack your bags!
Put your shoes on!
We've got to go!

Just think! God's presence could be SEEN over the Tent of Meeting, everyday!
What a blessing to be led by God's presence night and day.

Hmmm, now think about this...

Do you know you can have God's presence with you everyday, too?

Do you let God lead you? Do you ask Him for help and to guide you in your everyday choices? Is Yeshua YOUR shepherd?

A Word from Yeshua...

When you receive Yeshua as your own Messiah, He dwells IN you. You see...

When God sent His only Son, Messiah Yeshua, to lay down His life as a sacrifice for our sins... He gave all mankind the choice to accept Him.

God didn't make us robots that were programmed to follow Messiah, Yeshua. God gave each of us the CHOICE to listen to Yeshua, and His teachings in the Brit Chadasha. CHECK OUT THE 

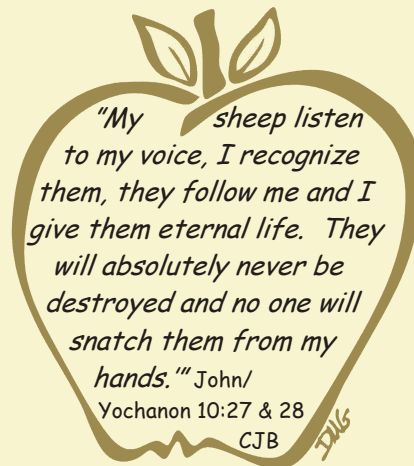

When we choose to follow Yeshua, He gives us the gift of eternity with Him. Plus, promises to protect us and keep us as His very own.

What does following Yeshua mean? We study and obey the Torah and the Brit Chadasha. We pray to Him and honor Him with our worship.

We give our time and talents and offerings for the work of His Kingdom. We love Him with our whole heart.

We follow His example of love and forgiveness towards others.

We listen to His voice!
