

A Word to live by...

Well, there is one more VERY IMPORTANT quality that every Godly leader needs. Moshe had it... Y'hoshua had it... The three women had it! David had it, too! David wrote about it in the Psalms:
CHECK OUT THE 🍏

David drew near the Lord in worship.
The women waiting outside Yeshua's tomb were missing His presence in their lives.

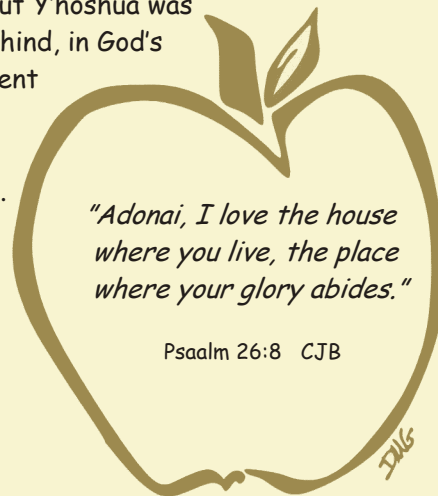

The thing all Godly leaders have in common is that they LOVE the presence of God! They love to bask in God's glory. They love to worship Him!

So, was Y'hoshua like that, too?

Maybe the greatest thing we know about Y'hoshua was that it says in Torah that He stayed behind, in God's Presence, even after Moshe left the Tent of Meeting. Y'hoshua LOVED staying where God's presence dwelled - where His Glory stayed. He loved to worship.

LEADERS MUST LOVE GOD'S PRESENCE- HIS GLORY!

Be ready with a Word...

So, next time someone says:

"What's the big deal about worship?"

Be ready:

"Come near to God and He will come near to you"

Parshat Pinchas - "Pinchas" Leaders Love God's Glory

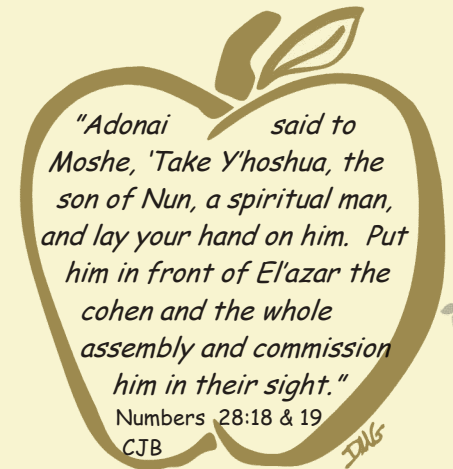

A Word from the Torah...

The Israelites are about to receive their land inheritance. Aharon has died and El'azar, his son, is the new Cohen Hagadol (High Priest.) Moshe is getting old and Adonai says it is time to pick a new leader for the people. Who would Adonai choose?

CHECK OUT THE 🍏

Why Y'hoshua? Do you remember Y'hoshua? What do we know about him?

Most recently, we should remember that he was one of the two spies that brought back a good report about the promised land. We remember that Y'hoshua had "eyes of faith" that helped him believe when most of the others' faith failed.

LEADERS MUST HAVE FAITH

Y'hoshua was Moshe's aide, going with him to Mount Sinai, going with him to the Tent of Meeting and being his legs by leading the Israelites into war. And even amongst all the grumbling of the Israelites, Y'hoshua never rebelled Against the Lord or Moshe. He was faithful and obedient.

LEADERS MUST BE GOOD SERVANTS

Hmmm, now think about this...

Wasn't Y'hoshua the one who saw all the miracles while he was serving Moshe? Was he learning to trust God like Moshe did? Do you think Y'hoshua was willing to give all his strength to see God's promises fulfilled? What an honor. It must have been awesome and yet scary at the same time. How would you feel?

A Word from Yeshua...

As believers in Yeshua, we LEAD people to the Lord by sharing the PROMISE of everlasting life with them.

When we obey God by sharing the gospel message, we have to believe God's promise will work in that person's life to restore their soul and make their life better.

Trusting that God can help us is very hard sometimes. Do you remember the story of Lazarus, Miriam's brother? He was dead three days and Miriam was so sad! Then Yeshua came saying... CHECK OUT THE 🍏

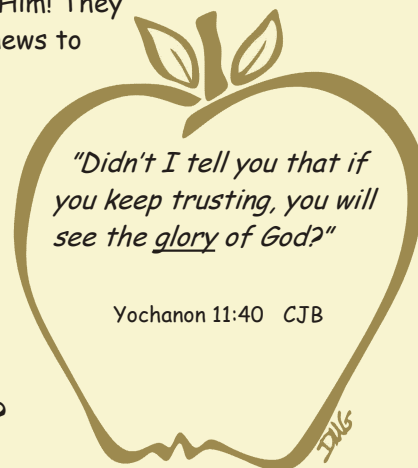

Many people saw Lazarus rise from the dead, including the talmidim and the women who traveled with Yeshua. Can you imagine, after Yeshua's death, how difficult it was for Yeshua's followers to have hope?

After they waited three long, dark days (kind of like Miriam waiting for Yeshua after Lazarus had died), Yeshua appeared to three women outside the tomb! He had risen!

The three women were the first to see Him! They acted like LEADERS bringing the good news to His talmidim!

How do we LEAD others to the Good News of Yeshua?

Leading people to the Lord needs trust and confidence that He is REAL and really does help those who call on Him. So how do we do it? How do we stay confident? How do we stay full of faith?
