

## A Word to live by...

The best news of all is that... the Torah promised that the restoration of the Jewish people to their land is a direct sign of the future hope of our Messiah's return.

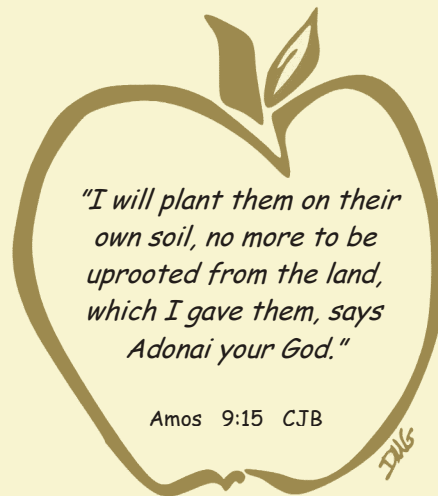

Someday, maybe very soon, Messiah Yeshua will return to gather His followers to join Him. Then there will be no more death, no more sickness, no more fighting, no more tears...

But wait, what if we ruin it again by turning away from God? Will we have to wait all over again? Will we see our beloved Jerusalem snatched from our hands again? NO! Just look at this amazing promise God gave to the prophet Amos...

## Parshat Mas'ei - "Journeys" Entering Our Land

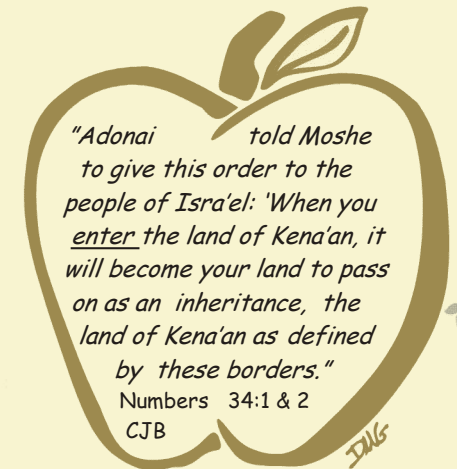

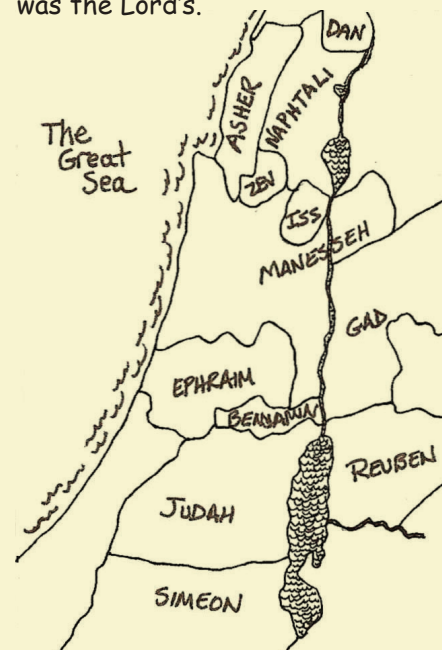

### A Word from the Torah...

This parsha gives a long list of the Israelites travels as they wandered in the desert for 40 years. They have reached the promised land and now Adonai gives them a full description of all the boundaries of the land.

CHECK OUT THE 🍏

Adonai promised them victory as they possessed the land little by little as they drove out the inhabitants.

They needed God's help with every victory. Every battle was the Lord's.

Here is a map of what territories the tribes of Israel lived in.

We got this picture from the [www.jewishvirtuallibrary.org](http://www.jewishvirtuallibrary.org) website who used the source: Goodnews Christian Ministry '91-'02.

This map can give you an idea of how successful the Israelites were at having each of the tribes receive...

***"The Promised Land!"***

## Hmmm, now think about this...

So, if God promised the Jewish people all the land between the borders HE ASSIGNED, then why does the State of Israel appear so much smaller, today?

Why don't we have all the land God promised?

## A Word from Yeshua...

Well, the answer is that the Jewish people have had many years of walking with God AND many years of walking away from God.

When we have walked away from God, we left His protection and our land was taken from us by conquerors from other nations. We had even lost our beloved Jerusalem for a time!

For hundreds of years it had looked as though God had abandoned His wife, Israel, and had no intention of fulfilling His promise to Avraham.

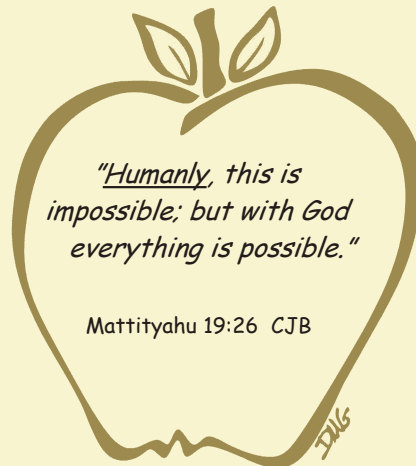

But, like Yeshua said, when He answered the young man who desperately wanted to know "how can a man be 'born anew?'" CHECK OUT THE 🍎

God is in the midst of performing His greatest modern day miracle ever! God is bringing His Jewish remnant home to their promised land - NOW!

About 50 years ago, God started removing the blinders from the eyes of the Jewish people and many were asking "could Yeshua be Messiah?" Now, after 50 years of struggling, it's totally natural to believe that Yeshua is the Jewish Messiah!

And the State of Israel was born anew, too! And Jerusalem is back in the hands of God's chosen people! Only God can bring back our scattered people from around this big earth to restore our faith in Him!
